- The FFI PenPal program is available to all members. Contact FFI to join and be assigned with an international or US member of FF.

- The February 2021 Inbound Journey from Detroit, Michigan, has been canceled due to the surge in Covid. Judy Carson has agreed to keep in touch with the Detroit club for a possible October/November 2021 Journey.
- Maureen has sent in our 2022 Journey Requests which includes: New Caledonia, Japan and the UK.

FFSWFL 11/15/2020 General Meeting Minutes

The Nov 15 ZOOM Meeting was called to order at 4:45 pm by Co-President Maureen Butt as she welcomed us and recited the FFI Pledge.

Treasurer Richard Copeland reported that the treasury has a balance of \$7,051. This year members will renew with a \$20 check which goes directly to support FF International. No local FFSWFL dues this year due to Covid Shutdowns.

Maureen encouraged all FFSWFL members to get a Friendship Force International Pen Pal once the program is fully established. Currently, this program is still a “work in progress.”

Our Holiday Party will be a Pot Luck Outdoor Social at Gilchrist Park in Punta Gorta, starting at 2:30 on December 6.

Punch, Dessert and Place Settings will be provided. If you prefer a different drink you are welcome to bring it.

Everyone is asked to RSVP, decide what dish to share AND bring a \$10 Gift for the Gift Exchange.

The Election will be held during our Holiday Pot Luck Social to select a Co-President who will share the duties of Co-President with Maureen Butt. If a full-time Florida resident is appointed, he/she could choose to split the service 6 Month each as Maureen lives in California off season. Linda Supakoff has agreed to serve as our next Co-President. Any other member who wants to be considered is encouraged to contact Co-President Maureen Butt.

The March 2021 Detroit Incoming Exchange has been limited to 15 people and will probably have to be rescheduled to October/November 2021 due to Covid.

Edmonton, Canada Club has cancelled our Summer 2021 Outbound Journey to visit them due to concerns about Covid. The board voted unanimously to not change our 2022 Outbound Journeys choices (U. K., New Caledonia and Japan) in order to move this Edmonton Journey into 2022.

Since Medicine Hat is still tentative, we will try to arrange another week stay in the area, if necessary, at a later date.

**The Zoom Meeting was adjourned at 5:55 PM.

BOARD ZOOM MEETING
September 1, 2020

Thanks to ZOOM, Maureen Butt was able to attend from San Francisco and Carol Nasby joined us from Minnesota!

Co-President Vacancy:

Board of Directors has been notified that Linda Supakoff has agreed to be a Co-President for FFSWFL for 2021 as Ginny Dooley's term ends. Any other nominations from our members to fill this position need to be submitted by October 10 for final vote at the November general meeting.

The board voted unanimously to reduce the dues for 2021 from \$40 to \$20 which is the amount that goes to FFI each year.

The October 2nd General Meeting & Social will be held at an outdoor park at a Ft Myers/Bonita Springs location.

The November 6th General Meeting will be in Punta Gorda. This will include a Trivia Challenge!

The Christmas Brunch in Ft. Myers/Bonita will be announced when plans are finalized.

Membership:

As a PR attempt to attract new members, the board is discussing adding a "FFISWFL Meet-Up" site.

The Edmonton & Medicine Hat outbound exchange is still "on hold" due to Canada's Corona-19 Border restrictions.

Respectfully submitted by Sue Masters, Secretary

FFSWFL 4/24/20 Zoom Board Meeting

Co-President Maureen Butt called the meeting to order at 10:40 a. m. via on-line ZOOM.

ALSO PRESENT:

Co-Pres Ginny Dooley, Vice-Pres Carol Nasby, Secretary Sue Masters, Treasurer Rich Copeland.

FFSWFL DONATION to FFI:

After attending the April 21 “FFI Florida Presidents & Board Members” virtual Meeting with Jeremi Snook (using the “Global GoToMeeting” app), we are now considering a donation to the FFI Fundraiser Campaign.

Co-Pres Maureen reminded us that FFI has cut 50% of their staff to reduce expenses. And, FFI has received \$108,000 in donations toward their goal of \$329,000 as of today.

Co-President Ginny reminded us that the treasury money is intended for our club’s use and a donation to FFI to keep it going would be an appropriate use.

Treasurer Richard assured us our treasury was healthy. He also reminded us how difficult it has been to raise money for our club.

As we are hopeful that FFI will survive the current financial challenges, the board voted unanimously to send a \$500 donation from our general fund to FFI on behalf of FFSWFL.

Individual members may send their donations to FFI if they wish to

help. MAY 1 GENERAL MEETING:

The board voted unanimously to hold a virtual May General Meeting using ZOOM. This is a FREE App which members can easily download to their device. Our Vice-President Carol Nasby has agreed to take on this “challenge” to set up the ZOOM Meeting to include ALL members. Carol will send out the invitations via e-mail and any info needed to guide our members on how to sign in for the meeting on Friday, MAY 1.

To make this a “Fun-in-Friendship” social event, it was decided to invite everyone to wear a favorite Travel, Fun or Crazy Hat or Headgear and to share a special memory of

one of their travel adventures or a favorite trip.

JUNE SOCIAL:

Co-Pres Maureen suggested the possibility of holding a June Social meeting at someone's home or a park for a Pot-Luck or Picnic "gathering in friendship." This will be done only IF it is safe to do so at that time.

We all agreed we are anxious to see each other and share some friendship in person!

Meeting was adjourned at 11:30

FFSWFL 4/16/20 Zoom Board Meeting

Pres Maureen Butt called the meeting to order at 2:15 ... via On-Line ZOOM.

Also present:

Co-Pres Ginny Dooley, Vice-Pres Carol Nasby and Secretary Sue Masters.

Absent: Treasurer, Rich Copeland.

TOPIC: The Future of FFI Atlanta and FF SWFL

This ZOOM Board Meeting was called to discuss the current situation with FFI and the request for donations from FFI to help keep the organization afloat financially. Board Members had previously attended and discussed these recent events related to this situation to evaluate the future and possible closing of FFI:

- The On-Line Conference Call with FFI Pres Jeremi Snook and our FF Region Rep, Marilyn Whelan. We also reviewed the minutes of this as recorded by Joanne Collins. These minutes will be sent to our membership.

- ANALYSIS of FFI FINANCIALS by Robert Cooper (a 15 year board member with New

Zealand FF) and currently serving as Accountant / Treasurer.

We are also in touch with Chuck Goldfarb, a FFI Board member, who covers FF Clubs on the East Coast of USA. He had not been included on the original FFI Conference Call with us.

Since FFI has been over budget back to 2018, there is serious concern about proper management and over-site by the FFI Management and it's BOD.

Our board decided to hold off on any donation to FFI until further evaluation of this situation. We are hoping for a Restructure Plan from FFI at some point.

Individual members may send their donations to FFI if they wish. \$100,000 has been donated by FF clubs and various individuals.

The board voted unanimously that any new members who joined in October through Feb will have their membership extended to include the 2021 membership year. This is due to the current situation with COVID-19 and the possible closing of FFI.

Due to sheltering in place our May 1 General Meeting has been cancelled.

All 2020 FFI Journeys "worldwide" have been cancelled. We hope that our assigned "2021" Journeys will go as planned.

The Board discussed the need to review and update our current By-Laws.

Board recommends donating to Harry Chapin Foundation / Food Bank during this COVID-19 situation.

Meeting was adjourned at 3:15.

Friendship Force General Meeting March 6, 2020

Punta Gorda Police & Fire Station Conference Room

The meeting was called to order Co President Ginny Dooley, with Co-President Maureen Butt also attending. In the absence of the Secretary in attendance, Joanne Collins, Newsletter Editor, agreed to record the minutes for her. Several

guests were in attendance: First time guests, Linda Garcia and Dennis & Norma Meyers. Prior to the meeting, the club was treated to a 20-minute Tour of the Fire Station Murals.

The meeting began with a fascinating presentation given by Membership Chair, Carol Nasby, on Norway. The take-away is that lots of information on visiting this fantastic country can be obtained from a website called Norway in a Nutshell.

Treasurer's Report

Costs for the Inbound Journey from Canada have not yet been totally paid for. Friendship Force total dues payment to international was paid in the amount of \$860. Our income from dues is the same, \$860.

Membership Report

Carol Nasby, Membership Chair, reported that we have 43 members in our club. We are always seeking new members.

Carol Nasby requested a \$100 line item in the new budget for Membership expenditures. There were no motions on her request.

Several members suggested some recruitment ideas such as a Table at Fisherman Village events and recruiting at the Farmer's Market at the Punta Gorda History Park on Sundays. Also discussed was the idea of manning a booth at the town Block Party. In addition, Judy Carson informed the group that she will recruit new members at her Woman's club. She needs \$20 for a vendor fee for the first Saturday in November. It was suggested that she get a committee together to recruit new members for this particular event.

Social Committee, AKA Out and About

Maureen Butt announced that she would chair events in the Punta Gorda region and Luvvy Kovacic would organize events in Bonita/Estero. However, we are still searching for someone to organize Ft Myers events.

Maureen Butt announced that she is currently planning on attending the next FFI meeting in Taiwan.

Newsletter, FaceBook, Website

Joanne Collins requested input from club members on their journeys and other news for the club newsletter.

There was discussion regarding who is the FaceBook Administrator. Joanne Collins mentioned that former member, Susan Beaudry, may be that person. She will contact her to turn over the administration to Maureen Butt. There was no report on the club website, since Michelle Kempis is currently out of town.

New Business

Ginny Dooley announced that the club has heard from International that our 2021 Outbound Trip is to Medicine Hat, Canada in June 2021.

She announced the club inbound for 2021 will be Detroit, Michigan in March.

Maureen Butt stated that she has calls into Allison Lindsay at the International Office requesting an outbound journey for this year, 2020. She mentioned that

Atlanta may be willing to host us.

Old Business

Ginny Dooley appealed to the club to fill the vacant Vice President Position since we need 5 people on the board for any possible tie-breaker votes. It was suggested that the 2 co-Presidents send out an email to the entire membership asking for someone to step up to the Vice President position. It was agreed that this email would be formulated and sent out.

There was discussion that Carol Nasby, currently Membership Chair, is willing to attend Board Meetings and vote on motions. Joanne and Richard Collins both commented that the ByLaws should be changed to reflect this modification of club policy should this be adapted.

Ginny Dooley stated that she is willing to serve as Co-President with Maureen Butt until the end of this calendar year. There was discussion that the club look at alternative ways to fill the president and vice president roles. Perhaps 2 copresidents would allow seasonal (snow bird) members to serve more easily.

Judy Carson made a motion to add an addendum to the Bylaws to allow Carol Nasby to vote on the Board. There was no second. A vote was called and this motion was passed by those present.

Ginny Dooley stated that at the February General Meeting, there was discussion regarding

- Whether incoming club journeys would include children;
- How to deal with ambassador mobility issues;
- How to deal with companion dogs.

She stated that the Board met on February 21 and all were in agreement that the “vetting” of incoming ambassadors would be decided by our club’s Journey Coordinator and the Ambassador’s Club Journey Coordinator. Our club decided to follow Friendship Force International (FFI) Guidelines on inclusion when dealing with mobility issues and companion dogs.

The next meeting is scheduled for April 3 at the North Ft Myer’s Public Library.

CHARTER RENEWAL:

Michelle Kemps & Joanne Mac Peek renewed our charter with FFI on Nov 19. Now with the recent change to “Co-Presidents” this needs to be updated showing Ginny Dooley as the Person of Record (serving as President along with Maureen Butt). The Board approved this change to be done in the “Club Charter Renewal” on the FFI Website.

Ginny has agreed to serve as Co-President for 1 year. Maureen has made a 2-year commitment and is trying to find another Co-President for next year. We also need a new Vice President. Ginny directed that these recruitment requests will be announced in the March newsletter and at the March meeting. Recruitment calls will also be made to members.

Once a year FFI requests info on:

- The Maximum & Minimum # of Ambassadors our club can accommodate for Inbound Journeys.

OUTBOUND Journeys:

Once a year (with a Sept-Oct deadline) the club votes on WHERE our members would like to go Internationally ... In Nov 2019, Michelle Butt and Joanne Mac Peek submitted our next Outbound requests: England, Vietnam and France.

NEWSLETTER:

Michelle Kemps will fill in for Joanne Collins while she is away 3/23-4/23. Every Newsletter has a picture of The President and a short Paragraph. It should be submitted by the 20th of the month so Joanne can get it in the March Newsletter, which goes out about a week before the general meeting.

TREASURER:

Richard reported the reported that \$20 of each members dues was paid to FFI in January.

Always get a TAX EXEMPT FORM before purchasing anything for FFSWFL .

\$75 will be paid for each host for the Niagara Inbound to cover related expenses. The JC gives an "Estimated Cost" of the Inbound Journey to the Treasurer and Board for final approval.

MEMBERSHIP:

Procedures, Policy and Goals to Improve our Club included discussion on how to Stimulate Participation, Reach Out to New Members, Invite all members to volunteer and get involved.

Sue Masters suggested that we focus on New Member Orientations. Have the Membership Committee arrange group meetings with our Club Mentors, Cheryle Phelps & Lou Rizk. Invite New Members to participate. And, ask members to volunteer to serve as a "Partner" with one of the New Members to help them feel a personal connection to getting involved and active in the club. This received board approval.

A point system was presented by Michelle Kemps as part of the process of selecting future Journey Ambassadors. Whoever has volunteered the most would get a better chance to go on an Outbound Journey. No decision was made.

Maureen Butt reminded us of the importance of our "Out & About" Socials held at a member's home or clubhouse. One could be in the Spring (April 30) and one in the Fall (October 30). Maureen wants to do more of our Pot Luck dinners at a members home or clubhouse. These are always fun & less expensive.

She suggested we invite guests to these events as Potential FFSWFL Members. Ginny wants all Board Members to sit together at a table upfront at every General Meeting. This will help all members know who is on the board.

Ginny emphasized the importance of all members to reach out to new members In Friendship!

Our Member Application forms will be updated to include requirements and responsibilities as found in FFI "Guidelines of Good Merit."

Maureen Butt asked the board to pass a resolution to follow the FFI " Policy of Inclusion" Guidelines (see below) for accepting people with disabilities, service dogs, adolescents and

children for our incoming journeys. This received unanimous board approval. The final decision would be made by the Journey Coordinator. If concerns arise, the JC will discuss with the Host Coordinator to make the best decision.

FFI GUIDELINES:

VII. "Health and Mobility"

Friendship Force journeys are intended to be inclusive, welcoming people of all ages and backgrounds to participate. This includes children, adolescents, elderly participants and those with disabilities. However, applicants with special requirements can be accepted only if the Host Coordinator agrees in advance that the host club can meet those special requirements. This is to protect the safety and comfort of the ambassador as well as the host club. It is important to recognize that the level of physical activity required for a Friendship Force journey according to the hosting situation as well as the program itinerary. Therefore, the Ambassador Coordinator shall abide by the following guidelines to ensure that he/she accepts only those candidates who can meet the physical requirements of the journey. If an Coordinator has any questions regarding these policies, he/she should discuss them with the appropriate FFI staff for clarification and guidance.

The Host Coordinator shall provide the Ambassador Coordinator information describing the level of physical activity that will be required during the journey, including the amount of walking as well as the living conditions and type of transportation that will be used during the journey. (FFI provides a checklist on our website to assist in this process.)

The Ambassador Coordinator will provide this information to the ambassador applicants in writing prior to their acceptance on the journey. The Coordinator shall consider each applicant's ability to perform the physical requirements of the journey when deciding whether or not to accept that applicant on the journey.

If the Ambassador Coordinator wants to accept an applicant who cannot meet the physical requirements or who has special needs, the Ambassador Coordinator must first consult with the Host Coordinator. If the Host Coordinator agrees that the host club can accommodate that applicant safely and comfortably, then the Ambassador Coordinator may accept the applicant."

Also present: Jo & Jack Cooley, Outgoing Treasurers; Sue Linehan, Past President Pres

Joanne's GOALS for 2020 are Share the Friendship, Get the Word Out + Budget Wisely!

Sue Linehan told the new board members that Past President, Joanne Collins, initiated the use of Power Point AND having Speakers at our meetings. All agreed it makes our meetings more interesting and enjoyable.

RECRUITMENT:

A Spring Fling Recruitment event was voted down by the board due to the high cost compared to a low number of new members it brought in. It was also noted that recruitment efforts need to be done "in season" in our area, to attract Snowbirds!

Other suggestions were discussed and will be carried out in the near future:

- Distribute our FFSWFL Brochures to local civic organizations (Chamber of Commerce, Rotary, Lions , etc.), Libraries, inside Gated Communities, etc. with contact labels. Pres Joanne offered to provide contact labels using the name of a member located in the general vicinity.
- Provide FFSWFL SPEAKERS at local Rotary Clubs (who meet weekly), Library Speaker Programs, Gated Communities, Church Groups, Bonita Estero Men's Club, etc.
- Use more MEDIA for PR: Submit articles; Invite Media reporters to a monthly meeting, an Incoming Welcome or Farewell Dinner event.

FINANCE:

New Treasurer, Richard Copeland will do a budget update of annual fixed Costs (ie: our Constant Contact E-Mail Program, YOLA WebSite, FFI Fees, etc. VS our Income from dues which is \$20 of the \$40 Annual Membership Dues. Extra funds would be used to provide better funding for Incoming Group activities and host expenses as needed, with board approval.

Richard will contact other banks to find a solution to requiring a minimum Balance of \$2,000 for three separate accounts (Outbound, Inbound, General). This will free up to \$6,000 to go into our budget for better use! The treasurer will need to keep accurate records for the club's three spending categories. Board voted to approve the move to the One Bank Account system.

A brief discussion followed about possible fundraisers, like the Annual FF Garage Sales held in the past.

We discussed the International Pot Luck dinners that the club used to have as Social events.
