Friendship Force of Southwest Florida

General Membership Minutes

February 20, 2026

A general meeting was held at the North Fort Myers Library beginning at 10 am.

1. *Welcome New Members & Guests with Introductions*

Terese Libby, president, welcomed guest Joy M. Perez from Fort Myers, who told us that her friend from Washington DC Capital Group urged her to come to our group. She is a current member of Servas US International and a retired educator. (She later completed the Membership Form, joined our local club and will join FFI once the information is given to her on how to apply on-line.)

2. *Friendship Force Pledge recited by all*

3. *Treasurer's Report*

Jane McDonald, treasurer reported that as of 2/20/26, the club has $1,834 in its General Fund; $2,586 in its Inbound Account; $4,871 in its Outbound Account, which is currently being spent on the Cornwall, UK Journey. Recently the club wired funds to Cornwall for its 14 Ambassadors' club fees and will pay FFI its portion in March. Total is $9,292.

4. *Update on Inbound and Outbound Journeys*

- Carol Nasby, Host Coordinator, reported that we had a very successful Inbound with National Capital Club with a new venue agenda that was very well received.
- Joanne Collins, Journey Coordinator, reported that all fees as budgeted have been collected by 14 ambassadors who are going to Cornwall and everything is in motion for a great visit. This destination is in high demand and recently she was contacted by 2 Australians who wanted to go with our club. They are now on a Wait List containing 6 hopeful applicants.
- All Club Morocco Opportunity in October 11-25, 2026 – Some club members who may go and are interested are Lois Hillman, Mary Montagne and new member as of today, Joy Perez.
- Memphis April 24-27, 2026 Regional Conference – Terese is attending a strongly urges all who might have an interest to go.
- Maureen Butt, Journey Coordinator, discussed plans for Sri Lanka. We are no longer going with the New Jersey Club. We plan on 6-8 ambassadors from our club to go in October 2026. There will be a pre-trip to Singapore for 3-4 days. It is about a 3-4 hour flight from Singapore to Columbo, Sri Lanka. We expect to do the home visit with a club on the east side of the island. After that, we are looking at tours for a post trip that will include a safari to visit the elephant/jaguar park, a beach visit with optional snorkeling, a train ride to see the tea plantations and visits to historical landmarks. Tours are very inexpensive*; e.g.*, participants should plan on a $1,200 budget for a

6-7 day guided tour including some meals and all accommodations. She urged club members to contact her if they were interested.

5. *Membership*

Terese Libby and Joanne Collins, Membership Chair, discussed the fact that we have a 55% reduction in membership this year as a result of FFI changing the fee structure to $100 annually. We had 36 members. Now we have only 17. It is a sad state of affairs.

There was a motion from the floor, “Since the club has a small amount of money given to it in tribute of Luvvy, the membership chair, at her discretion, will offer a those who have not rejoined, a matching offset of club dues. This opportunity will be available until March 1, 2026”

Discussion occurred and Kathleen Davey suggested asking those members why they have not joined FFI. There were comments that we need to educate members on the value of the national organization and the fact that those who do not join will be suspended on March 1 and will not be able to host or go on journeys. Joanne Collins expressed that through the years our club has tried so hard to obtain and retain club members and we do not want to lose so many. Perhaps an offset in funds could help in persuading some of them to rejoin. Joanne agreed she would contribute $100 to the fund and Terese said she also would contribute. The club currently has $50 in the general fund from Luvvy’s tribute. Eventually the motion was seconded and motion passed.

New Business

March 13 – In lieu of a meeting, we will celebrate International Friendship Force Day by having a **Pot Luck Picnic at** Lakes Regional Park, Fort Myers from noon to 2 pm. Bring an international dish to pass and your own “picnic basket” of plates, napkins and utensils.

April 15 – Trip with lunch to Solomon’s Castle

7. *Presentation*

Terese gave the presentation on Travel Insurance and we all went around and discussed our travel tips. The meeting adjourned at noon and a great lunch was enjoyed by some members at a little Australian café, Café YOU.

With no further business, the meeting adjourned.

Respectfully submitted,

Joanne Collins

July Agenda

50th Anniversary Celebration update: The conference will take place in Porto, Portugal. The exact dates will not be known until a hotel contract has been signed. FFI is waiting for several hotels to provide their proposal. If you are trying to plan dates for your assigned 2027 Matches, then schedule them to end by mid-August or begin after October 1.

Porto, Portugal Sept 2027?

Advertising Journeys: Prior to 2026 all journeys that weren't full were to be listed in the Journey Marketplace 100 days prior to departure. That didn't allow potential Ambassadors enough time to get decent airfare, arrange for visas, and other logistical issues. Starting in 2026 all journeys are required to be posted 6 months prior to the start date, even if the journey is full. This will give potential members the idea that FFI has a lot of journeys and if someone drops out of the trip and space is available it's already on the Journey list. The Host club should provide the itinerary details, with the Ambassador Coordinator or club President as the contact. Please include pictures that you have taken. Allison can't use pictures that have been taken from the internet for copyright reasons. The Ambassador's total cost is provided by the Ambassador Coordinator.

US CLUB MANDATE FOR 2027

Below are the community-generated ideas for what all US clubs MUST prioritize in 2027. The TOP-voted ideas are highlighted.

★ TOP: Personal Invitations — Clubs should send club-to-club letters and individual invitations (including Zoom calls) to people who have previously hosted your club. Remind recipients of the Friendship Force philosophy and our mission of building global unity.

★ TOP: Themed Journeys — Develop themed and family journeys that leverage unique American attractions (national parks, space exploration, etc.). Consider regional tours with multiple clubs. Every themed journey must include a service project component.

★ TOP: Inbound Discounts — Offer fee discounts for inbound groups at both the club and FFI levels to reduce financial barriers. Disregard

★ TOP: Visa & Entry Clarity — Provide clear, accessible information on US visa requirements and offer letters of invitation to help prospective guests navigate the process of getting to the US.

Other ideas generating interest:
- Reunion Journeys
- Neighboring Journeys (with Canada or Mexico)
- Highlight small-town America as a destination
- All clubs to list profiles and journeys on the FFI website catalog
- Form a club-level committee to oversee implementation of these initiatives
- Host weekly country-focused Zoom calls to generate journey interest

---

PARTNERSHIPS, TRAININGS & COMMUNITY VISIBILITY-Debbie Powell will administer this. It's still in development.

Our second session focused on how clubs can become more visible and impactful in their local communities.

★ TOP: Designate One Community Engagement Lead — Every club should identify one person responsible for all local community engagement events and communications.
* VPs + Membership · Communications Chair - do we have one?

★ TOP: Establish One New Partnership — Each club should reach out to and formalize a relationship with at least one local organization in 2027 (cultural groups, Rotary, schools with exchange students, nonprofits serving diverse communities, etc.).

★ TOP: Training on Building Local Partnerships — FFI will develop training resources to help clubs identify partners, communicate mutual benefit, and sustain those relationships.
Tool Kits are being created by FFI

Additional ideas to explore:
- Connect with local press as "global unity experts" for your community
- Present to classrooms (all levels) and offer foreign language teachers as a resource
- Create a QR code linking to the FFI video for use on business cards
- Participate in local festivals with a club table - tried more personal one to one better
- Develop a club website using the FFI template
- Leverage the Global Citizen modules (once updated) for member education

* Facebook - JoAnne did - ~~who posts now~~?
↳ Need an administrator!

THE ONE THING FOR 2027

If clubs do nothing else this year, we ask this: **Become more visible in your community.** Think about what your club can uniquely offer — videos about your area, presentations, partnerships, stories — and share them. The world needs to see what Friendship Force members are doing every day to build global unity
