I'm a multitasker: I can listen, ignore, and forget all at the same time.

Northern Colorado visiting our Club March 15-22, 2023

This is what we are all about - welcoming others to our area of the world ! It's all about our mission - promoting global understanding, peace, and experiencing other points of view! We call ourselves 'ambassadors' to promote friendship among people of the world.

When in Inbound Group visits, we need all members to participate. **Block** off your calendar for March 15-22. Be ready to help where you are needed.

Sue Linehan stepped up and volunteered to be the **Host Coordinator** for next year's visit. Here is her message to you!

Northern Colorado FF Club is eager to know how many ambassadors we can accommodate so that they can take advantage of air fare bargains going on now. With that in mind, can you please let me know the following:

- 1. If you can host, what is your bed situation and do you prefer a single or a couple?
- 2. If you cannot host, can you be a driver for some of the day trips?
- 3. Are you willing to host a small dinner party at your home for some of the members who are hosting?
- 4. Are you willing to organize the Welcome Party?
- 5. Will you help coordinate the activities?
- 6. Are you willing to put together a Welcome Bag for ambassadors?
- 7. Are you able to put together a printed program for the event?

Please give me a call if you have questions about any of the above tasks. Reply to me, **Sue Linehan** (just click my name) or call me soon at 941-979-6977.

A little bit more about the Northern Colorado Club . The club is one of six clubs from Colorado, Wyoming and Utah. It currently has 49 active members located in the cities of Estes Park, Fort Collins, Greeley, Longmont, Loveland and surrounding towns. Although it is located toward

the northern end of the Colorado "Front Range" on the high plains, they are only a few miles distant from the foothills to the Rockies. Their view to the west features one of Colorado's 54 "fourteeners" - peaks in excess of 14,000' above sea level. Long's Peak, at 14,109' is pictured above as viewed from Rocky Mountain National Park.

Australia Journey

Our club is visiting two Australian clubs in 2023 - The Blue Mountains and The Gold Coast. You can be part of this adventure. Linda Supakoff, our Journey Coordinator, reports that the host clubs have proposed us coming in **August or September.** Are you interested? If so, let Linda know. You can fill out the **Journey Application** and submit it to Linda with a \$100 deposit.

The *Blue Mountains* is a city, made up of 26 mountain towns dotted along the Great Western Highway that crosses the mountains. It is a city within a World Heritage National Park. Approximately 62 miles west of Sydney, the area is one of Australia's natural wonders and a popular tourist destination with bushwalks, views of valleys and sandstone escarpments, caves, gardens, galleries and cafes.

The *Gold Coast* - Our Shoreline of our city stretches for 37 miles along the Pacific Ocean, featuring some of the best surfing beaches in Australia. With names like Surfers Paradise, Broadbeach, Palm Beach and Mermaid Beach, visions of glistening white sands, rolling surf and gently swaying palms spring to mind – and that's exactly how it is. We have beautiful hinterland parks and forests to visit as well!

Friendship Force International World Conference 2023 Dubrovnik, Croatia | October 2 - 5, 2023

This is the first world conference in four years! It will have so much to offer our members. In addition to the main hotel where our conference events will take place, guest rooms for varying budgets will be available at three sister properties just a short walk around the bay. Day tours and post-conference tours in and outside of Croatia will be on offer for our delegates. There really is something for everybody! More info coming up on your FFI member portal.

P.S. Our **New President, Carol Nasby**, already plans to go. Won't you join her?

Opportunity to go on Taiwan Global Journey

Maureen, our club Past President, recently heard from our regional representative about the following:

Most Asian region clubs could not host journeys during the long pandemic; they are restarting their activities for 2023 and are

pleased to announce the Global Discover Taiwan #23144 Journey for November 15-26, 2023. It is open to all club members worldwide. See the attached <u>PDF file</u> for description, itinerary, costs and details. The Journey Coordinator is Wan Fang <u>wfchen07@gmail.com</u> of Hsinchu FF club. If you have any questions, please contact Wan directly. Don't delay. There is a lot of interest in this journey. Two members of our club have already applied.

*Have you paid your dues? * Just \$40 per person! Associate Members are \$15 per person annually. We must have your renewal by early January because we must submit a large portion of your dues to the International Organization known

as FFI.

In Memoriam of Corrine Larson

Many of you will remember an amazing lady, **Corrine Larson**, who was a member of our club for a few

years (~2017-2019) with Susan Beaudry of Cape Coral. Corrine wowed us in May 2018 when she gave a presentation to us about her adventures traveling the world by "Living on a Cargo Ship." Corrine had an indominable spirit and I got to know her on a journey to St Mary's and Haliburton, Canada. What an amazing women, and what an adventurous life she had traveling the world! She passed on August 11, 2022 at the age of 90. May she rest in peace.

President's Comments

Welcome to 2023!

I hope your holidays were bright! As we go into the new year, we look forward to a year full of fun and friendship. Besides our general meetings, we will try to do a social event each month.

Many clubs do a "LEO" event, a Let's

Eat Out event, so let's try that.

Let's go to a North Fort Myers restaurant. Judy Carson is arranging the first one. Stay tuned for a Friendship Force luncheon during the last week of January.

We are excited, your new slate of officers, to try new things. As the year goes on, we'll update our club on how the FFI website works and how we can use it to make the resources there more available.

An exciting year ahead! I am so glad that in January the registration for the **World Conference in Dubrovnik** is finally open. Stay tuned!

Happy New Year,

Carol
